

**Pollution Control Board:: Assam  
Bamunimaiadam, Guwahati-21**

**OFFICE ORDER**

No. WB/G-295/21-22/308

Dated Guwahati, the 26<sup>th</sup> October, 2023

**Sub: Processing of Consent / Authorization Application Form in OCMMS Portal.**

There are a large number of various industries, viz., Automobile workshops, Hotels, Restaurants, etc., which are operational in the State without valid Consent or Authorization from the Board. To implement pollution control measures and also to generate revenue for the Board, it is required that all the industries in the State are brought under the consent mechanism of the Board.

Regional officers are hereby directed to be proactive to bring all the defaulting industries under the consent mechanism. The ROs shall initiate necessary action to reach out the defaulting units besides processing of all the applications received online. Besides, many industries are being operated without valid CTO and such units may be asked to regularize the CTO after paying the CTO fee and fine. It is expected that the ROs shall be active within the area falling under the jurisdiction of respective Regional Office.

All ROs are also directed to make a list of success stories or activities, which resulted in increase in revenue generation and effective implementation of Pollution Control norms in the State besides performing regular processing of the application in the OCMMS portal. Starting with November 16<sup>th</sup>, 2023 all the ROs shall submit action taken report fortnightly, i.e. the 1<sup>st</sup> and 16<sup>th</sup> of every month. If 1<sup>st</sup> day and the 16<sup>th</sup> day do fall in a holiday, the report shall be submitted in the subsequent working day. The performance of the RO shall be evaluated accordingly.

This has been issued with the approval of the Hon'ble Chairman. The RO shall ensure strict compliance of the order with immediate effect.
